Kong Large Air Dog Fetch Yellow Stick with Rope Dog Toy

The [Kong Air dog fetch with rope dog toy](#) is another of Kong's top quality dog toys you can find today.

It is made exclusively of tennis ball fabric that is [nonabrasive](#) and also gentle to any bite.

This dog toy is designed with material that is less dense than water and therefore does not sink.

It is fitted with a throw rope on one end so that you can play with the dog and combines the design of a stick, with the make of a tennis ball, to make play time the best time.

The feel of a tennis ball in the grip of a stick makes things exciting for the dog.

Its shape brings in the goofy and unpredictable bounce that is specially designed for the epic game of chase.

A heavy-duty attached [nylon rope](#) also contributes to the tugging and fetching and adds a bit of distance to your throw.

The **Kong Air dog fetch with rope dog toy** is best for [search and retrieve training](#) and will give hours of fun regardless of where you use it.

Unlike your ordinary tennis ball, the non-toxic felt covering is specially designed to be gentle on the dog's teeth during play time.

The stick measures 11 inches and is best for large breeds of dogs.
