Tug of War Dog Toy

Tug of War Dog Toy with Hard and Soft Plastic

With the **Tug of War Dog Toy**, Kong has combined two of the best materials in strength and durability to give your dog the perfect tug toy that also comes with control-flex technology for interactive play.

This toy brings dog tugging to reality, considering that it is one of a dog's best play time activity. It comes as a good energy extender and is recommended for all canines.

However, the manufacturer advises that it is important to choose a specific place to play tag with your dog, and also to consider the time and how you interact with the dog.

You can choose to have a single toy dedicated strictly to tugging with your dog. This way, dogs won't start tugging on anything in front of their noses, your socks or shoes.

Kong has managed to bring out their legendary durability and quality of the **Tug of War Dog Toy** using this innovative, dual-material toy. With their [proprietary rubber formulation](#), they have also managed to bring in flexibility and super-strong grips into the tug toy.

The rings also come with a long lasting nylon construction. This *Tug of War Dog Toy* is recommended for all dog sizes and breeds and is a quality product every dog should have.
